LB 253-286

Mr. President, a new resolution, LR 10, offered by Senator Beyer. It is a resolution to propose an amendment to Article III, section 24, of the Constitution of Nebraska. (See pages 176-177 of the Legislative Journal.) Pursuant to our rules, Mr. President, that shall be treated as a bill and we will forward it on to Reference Committee for a reference.

PRESIDENT: The time is still open for introduction of new bills. Members are urged to bring their bills forward for introduction. Could we have the attention of the members? Speaker Nichol wants to have a word with you.

SPEAKER NICHOL: Mr. President, members of the Legislature, just a couple of things. First of all, I am requesting that all of you get in all the bill requests you can today for the purpose, of course, of getting them printed. Secondly, you must get your hearing notices in to Pat by Monday the 17th which is this coming Monday if you want to start the hearings on those bills on Monday the 24th. The other thing I would mention to you is that you have all received a letter from the Secretary of State providing that you appoint replacements for you in case you are killed in a nuclear attack or some other catastrophe. Now if you do not do this why the Speaker has the authority to name people for you and someone suggested that if you don't do it that I name people that you don't like to represent you. Of course, I would not do that but I do urge you to do this in case you have not done so and I got mine done this morning so I'm not all lily white either, but I do request that you do this for the Secretary so that he is not embarrassed. Thank you.

CLERK: Mr. President, I have a hearing notice from the Banking, Commerce and Insurance Committee scheduling hearings for the week of 1-24, 1-25 and 1-31. That is signed by Senator DeCamp as Chair. Senator Schmit gives notice of hearings for January 26, 27, 28 as Chair of Public Works. (See pages 179-180 of the Legislative Journal.)
